## For peace of mind ...

We understand how difficult it can be to find someone you trust to fix your computer problems, in an emergency or even at a time that suits you and at a reasonable price. As a valued PC Service customer, we would like to offer you exclusive membership of our priority service. The Advantage Club has been designed to give you speedy access to our team of qualified technicians, ensuring that any computer issues are fixed immediately. Membership provides the following benefits:-

- **Priority Call-Outs**

We will guarantee to be with you within 3 working hours of your initial call.

- **Preferential lower charge rate**

Not only will you receive priority care, but you will also benefit from a special, discounted call out rate of just £50\* per hour.

- **Dedicated Priority Helpline**

You will have access to a dedicated FREEPHONE helpline to ensure that you have access to immediate support and advice.

- **Free Annual Health Check worth £35\***

Our computer health check will help identify problem areas before they cause your system to crash. We also provide advice on improvements to make your system run more efficiently.

- **Settings Protection.**

We will keep records of all your computer settings, which will reduce the time of you next service as our technician will already understand your computer set-up.

## Special offer £120\* per year

\*The above prices exclude VAT.
